**Improving your business!**

### Reasons to choose Camaleón

-  **Efficiency and Speed** .- With Camaleon the customer will not have to wait in long queues when making payment and will be treated in half the time than with any other conventional system.
-  **Easy to learn** .- Images and logos of the most common products, and allow them quick and easy cashier training. (15 mins. Approx.)
-  **Control and Security**.- We are 100% EMV chip credit card ready. Gain full control of all sales activities such as: Ticket canceled, returned, fraudulent credit card sales, closing cash, inventory control, etc. and receive all this directly to your phone, tablet or computer.
-  **Accounting**.- Export to Excel® or Quickbook® all sales. In addition to seeing payables, receivables, lists of vendors, invoices and report their payroll, among others.
-  **Reportes** .- Get a statistic of how your business, see their sales departments, products, ATM, days, etc. Organize your business and so you can make better decisions and at the same time to increase profitability
-  **Fidelity client**.- We created a business customer connection through our loyalty program and discounts that lasts forever.
